I Care 4 U
I dare you
I disappear
I do
I do (wanne get close to you)
I don't care
I don't feel like loving you today
I don't wanna kiss you goodnight
I don't wanna know
I don't wanna know
I don't want to be
I drive myself crazy
I fought the law
I give, you take
I go crazy
I got a feelin'
I got more
I got my baby
I got you
I gotcha
I just came back from a war
I just can't be true
I just don't know what to do with myself
I keep coming back
I love my chick
I love to see you cry
I loved her first
I need a girl
I need a girl (part 2)
I need a man
I need a vacation
I need you
I never once stopped loving you
I pray
I should be sleeping
I still believe
I told you so
I try
I turn to you
I wanna love you
I wanna make you cry
I wanna thank ya
I want a cowboy
I want to live
I want you back
I will survive
I wish I wasn't
I wonder
I won't mention it again
I would cry
I write sins not tragedies
I'd be lying
I'd lie for you (and that's the truth)
If everyone cared
If God made you
